"Printed for the author and publisher."
Pt. iv contains a general title-page for the work.

——— On the new genus Lophactis. [Cincinnati. 1824.] 4°. (Neophyton, 4.)
Cincinnati literary gazette, 1824, ii, 28.

——— On a new medical plant, Prenanthes opicrina and a new kind of opium, opicrine. [Cincinnati. 1824.] 4°. (Neophyton, 3.)
Cincinnati literary gazette, 1824, ii, 10–11.

——— translator. New species of mammifers, noticed in the Notes to the (Tableau méthodique des mammifères) methodical picture of the mammifers, by D. Desmarets. Translated and improved. (In *American monthly magazine and critical review*, 1817, i, 361–363.)

——— On a new tree of Kentucky, forming a new genus, Cladrastis fragrans. [Cincinnati. 1824.] 4°. (Neophyton, 1.)
Cincinnati literary gazette, 1824, i, 60.

——— Notice on the medical properties of some North-American plants; addressed to Dr. Mitchill. [New York. 1808.] 8°.
Medical repository, 1808, 2d hexade, v, 423–424.

——— Notice on the Myosurus Shortii. [New York, *etc.* 1818.] 8°.
American journal of science, 1818, i, 379–380.

——— On the Panis language and dialects. [Cincinnati. 1824.] 4°. (Clio, 6.)
Cincinnati literary gazette, 1824, ii, 50–51.

——— The pleasures and duties of wealth. Philadelphia. 1840. 8°. pp. 32.
"Printed for the Eleutherium of knowledge."

——— Précis des découvertes et travaux somiologiques entre 1800 et 1814; ou, Choix raisonné de ses principales découvertes en zoologie et en botanique, pour servir d'introduction à ses ouvrages futurs. Palerme. 1814. 16°. pp. 55+.
"Les plantes," pp. 35–52.

——— Primitive origin of the English language. (*In* PRIEST, Josiah, compiler. American antiquities and discoveries in the West, 1833, 2d. ed., pp. 325–332.)
Also in 4th ed., 1834; 5th ed., 1835; 5th ed., 1838; 5th ed., 1841.

——— *The same.*
From "American antiquities, *etc.*," 3d ed., 1833.

——— Principes fondamentaux de somiologie; ou, Les loix de la nomenclature et de la classification de l'empire organique ou des animaux et des végétaux, contenant les règles essentielles de l'art de leur imposer des noms immuables et de les classer méthodiquement. Palerme. 1814. 8°. pp. 50+.

——— Prodrome d'une monographie des rosiers de l'Amérique septentrionale, contenant la description de quinze nouvelles espèces et vingt variétés. [Bruxelles. 1820.] 8°. pp. 11.
Extrait des *Annales générales des sciences physiques*, 1820, v, 210–220.

——— Prospectus of two intended works on North-American botany; the first on the new genera and species of plants discovered by himself, and the second on the natural history of the funguses, or mushroom-tribe of America. [New York. 1808.] 8°.
Medical repository, 1808, 2d hexade, v, 350–356.

——— The pulmist; or, Introduction to the art of curing and preventing the consumption or chronic phthisis. Philadelphia. 1829. 12°. pp. 72. Illustr.
"Printed for the author."

——— Le pulmiste; ou, Introduction à l'art de guérir et de prévenir la consomption, ou la phthisie chronique. Traduit de l'anglais. Paris. 1833. 8°. pp. xx, 123. Plate.

[——— Reasons advanced against the American nations being descended from the ten tribes of ancient Israel.] (*In* PRIEST, Josiah, compiler. American antiquities and discoveries in the West, 1833, 2d ed., pp. 73–77.)
Also in 4th ed., 1834; 5th ed., 1835; 5th ed., 1838; 5th ed., 1841.

——— *The same.*
From "American antiquities, *etc.*," 3d ed., 1833.

——— Remarques sur le genre Eustachya, avec une nouvelle espèce. (*In his* Tableau analytique, *etc.*, 1820.)

——— Result of the botanical discoveries made in the western states. (In *American monthly magazine and critical review*, 1819, iv, 207–208.)

——— Ruins of the city of Otolum, discovered in America, of Peruvian origin. [Quotation from a letter by Rafinesque.] (*In* PRIEST, Josiah, compiler. American antiquities, and discoveries in the West, 1833, 2d ed., pp. 241–245.)
Also in 4th ed., 1834; 5th ed., 1835; 5th ed., 1838; 5th ed., 1841.

——— *The same.*
From "American antiquities, *etc.*," 3d ed., 1833.

——— Safe banking, including the principles of wealth; being an enquiry into the principles and practice of safe and unsafe banks, &c. Philadelphia. 1837. 12°. pp. 136+.

——— The school of flora. [Philadelphia. 1827–32.] 8°. Illustr.
From the *Casket*, 1827–32.
Introduction signed "C. S. R."

[———] *The same.* No. xxiv–xxvi, xxx–xxxv, xxxvii, xxxviii, xl.
From the *Saturday evening post*, July 14–Dec. 22, 1827.

——— On some new genera of American plants. Extract of the third letter to Mr. de Candolle. Translated from the French. (In *American monthly magazine and critical review*, 1819, iv, 356–358.)

[———] Specchio delle scienze o giornale enciclopedico di Sicilia deposito letterario delle moderne cognizioni, scoperte, ed osservazioni sopra le scienze ed arti. Tom. i. Palermo. 1814. 8°. pp. 216. 2 plates.

[———] Specimens of several new American species of the

genus Aphis. (In *American monthly magazine and critical review*, 1817, i, 360–361.)

——— Second memoir on the genus Aphis, containing the description of 21 new American species. (In *American monthly magazine and critical review*, 1818, iii, 15–18.)

——— Statements respecting a six per cent savings bank, or institution, to be established in the city of Philadelphia. [Philadelphia. 1832.] 8°. pp. 4.

[———] Survey of the progress and actual state of natural sciences in the United States of America, from the beginning of this century to the present time. (In *American monthly magazine and critical review*, 1817, ii, 81–89.)
Signed "C. S. R."

——— Sylva telluriana, mantis. synopt. New genera and species of trees and shrubs of North America, and other regions of the earth. Being a supplement to the Flora telluriana. Philadelphia. 1838. 8°. pp. 184.
"Printed for the author and publisher."

——— Synopsis of four new genera and ten new species of Crustacea found in the United States. (In *American monthly magazine and critical review*, 1817, ii, 40–43.)

——— Tableau analytique des ordres naturels, familles naturelles et genres, de la classe endogynie, sous classe corisantherie.— Remarques sur le genre Eustachia, avec une nouvelle espèce. Bruxelles. [1820.] 8°. pp. [16].
"Extrait de la 10me livr. du 6me tome des *Annales générales des sciences physiques*."

——— Tabular view of the American generic languages and original nations. (*In* Priest, Josiah, compiler. American antiquities and discoveries in the West, 1833, 2d ed., pp. 309–312.)

——— *The same.*
From "American antiquities, *etc.*," 3d ed., 1833.

——— Thoughts on atmospheric dust. [New York. 1818.] 8°.
American journal of science, 1818, i, 397–400.

——— editor. The universe and the stars. See Wright, Thomas.

——— On the white tribes of America, &c. [Cincinnati. 1824.] 4°. (Clio, 7.)
Cincinnati literary gazette, 1824, ii, 178.

——— On the Zapotecas, and other tribes of the state of Oaxaca. (*In* Priest, Josiah, compiler. American antiquities and discoveries in the West, 1833, 2d ed., pp. 316–325.)

——— *The same.*
From "American antiquities, *etc.*," 3d ed., 1833.

[Rafinesque, Constantine Samuel.] Reviews.

Barton, W. P. C. Flora philadelphica prodromus. (In *American monthly magazine and critical review*, 1817, i, 356–359.)
Signed "C. S. R."

Bigelow, Jacob. Florula bostoniensis. A collection of plants of Boston and its environs, *etc.* (In *American monthly magazine and critical review*, 1817, ii, 342–344.)
Signed "C. S. R."

Eaton, Amos. An index to the geology of the northern states. (In *American monthly magazine and critical review*, 1818, iii, 175–178.)
Signed "C. S. R."

——— A manual of botany for the northern states, comprising generic descriptions of all phenogamous and cryptogamous plants to the north of Virginia, hitherto described, &c. &c. Compiled by the editor of Richard's Botanical dictionary. (In *American monthly magazine and critical review*, 1817, i, 426–430.)
Signed "C. S. R."

Elliott, Stephen. A sketch of the botany of South Carolina and Georgia. (In *American monthly magazine and critical review*, 1818, iii, 96–101.)
Signed "C. S. R."

——— List of publications relating to forestry in the department library. Washington. 1898. 8°. ff. 93. (In its Bulletin, 24.)

Printed on one side of the leaf only.

——— ——— *Office of experiment stations.* The cotton plant; its history, botany, chemistry, culture, enemies, and uses. Prepared under the supervision of A. C. True, with an introduction by C. W. Dabney. Washington. 1896. 8°. Illustr. (In its Bulletin, 33.)

"Supplemental bibliography of cotton," pp. 423–433.

——— ——— *Office of the secretary.* The Department of agriculture in relation to a national law to prevent the importation of insect-infested or diseased plants. Washington. 1911. 8°. pp. 11. (In its Circular, 37.)

——— Notice of quarantine no. 6 (domestic), with regulations, effective on and after March 24, 1913. Date-palm scale insects. [Washington. 1913.] 8°. pp. 3.

——— The present outbreak of the fall army worm and recommendations for its control. [Washington. 1912.] 8°. pp. 2. Illustr. (In its Circular, 40.)

——— Report on the southern Appalachian and White Mountain watersheds. Washington. 1908. 8°. pp. 39. 2 maps.

——— Rules and regulations for carrying out the plant quarantine act. [Washington. 1912.] 8°. pp. 12. (In its Circular, 41; revised.)

——— Rules and regulations for carrying out the plant quarantine act. Washington. 1913. 8°. pp. 16. (In its Circular, 44.)

——— *Department of commerce and labor — Bureau of the census.* Cross-ties purchased 1908, 1909. 2 pam. Washington. 1909–11. 8°. (Forest products, 8.)

——— Forest products of the United States, 1906–1909. Compiled in cooperation with the Department of agriculture, Forest service. Washington. 1908–11. 8°. (Forest products, 10.)

1906 published as "Forest service bulletin 77."

——— The lumber cut of the United States, 1907. Washington. 1908. 8°. pp. 53. (Forest products, 2.)

——— Poles, cross arms, brackets, and insulator pins purchased, 1909. Washington. 1911. 8°. pp. 14. (Forest products, 9.)

——— Poles purchased, 1908. Washington. 1909. 8°. pp. 8. (Forest products, 9.)

——— Production of lumber, lath and shingles, 1907. Washington. 1908. 8°. pp. 11.

——— *The same.* 1908, 1909. Washington. 1909–11. 8°. (Forest products, 2.)

——— Production of tight cooperage stock, 1907–1909. Washington. 1908–11. 8°. (Forest products, 6.)

——— Pulp wood consumption, 1908–1910. 3 pam. Washington. 1909–12. 8°. (Forest products, 1.)

——— Report on the forests of North America (exclusive of Mexico). See SARGENT, C. S.

——— Report on the population, industries, and resources of Alaska. See PETROFF, Ivan.

——— Slack cooperage stock, 1908, 1909. Washington. 1909–11. 8°. pp. 12. (Forest products, 3.)

——— Tanbark and tanning extract, 1908, 1909. Washington. 1909–11. 8°. (Forest products, 4.)

——— Veneers, 1908–1910. Washington. 1909–11. 8°. (Forest products, 5.)

——— Wood distillation, 1908–1910. 3 pam. Washington. 1909–11. 8°. (Forest products, 7.)

——— *Department of the interior.* Establishment of forest reservations; letter from the secretary of the interior, transmitting in response to senate resolution of Mar. 29, 1897, copies of the orders of the president of Feb. 22, 1897, and copies of papers relating to the establishment of forest reservations. [Washington. 1897.] 8°. pp. 36. (55th cong., 1st sess. Senate. Doc. no. 21.)

——— Letter of the secretary of the interior to the president transmitting a report by the National forestry commission to the National academy of sciences, recommending the establishment of additional forest reservations. See NATIONAL ACADEMY OF SCIENCES.

——— Letter from the secretary, in response to senate resolution of Jan. 22, 1895, transmitting information relating to cutting and removing timber from forest reservations and public lands, and the action taken to protect timber lands from trespass or depredations. [Washington. 1895.] 8°. pp. 16. (53d cong., 3d sess. Senate. Ex. doc. no. 45.)

——— Preliminary report of the United States geological survey of Montana and portions of adjacent territories. See HAYDEN, F. V.

——— Report on the geology of the Lake Superior land district. See FOSTER, J. W., and WHITNEY, J. D.

——— ——— *General land office.* Circular. Mar. 17, June 8, July 18, 23, Aug. 11, 1898. Washington. 1898. 8°.

——— Compilation of public timber laws and regulations and decisions thereunder. Washington. 1897. 8°.

——— [Copy of a letter of instruction to forest superintendents. Washington. 1898.] 4°. 8 typewritten sheets.

——— [Copy of a letter of instructions to forest supervisors. Washington. 1896.] 4°. 6 typewritten sheets.

——— Instructions for making final proof on timber culture entries, under acts of congress to encourage the growth of timber on western prairies. Washington. 1882. 8°. pp. 12.

——— Rules and regulations governing forest reserves, established under sect. 24 of the act of Mar. 3, 1891. Washington. 1897. 8°. pp. 14.

United States — *Department of the interior — General land office. The same.* Reissued Aug. 5, 1898, with amendments. Washington. 1898. 8°. pp. 16.

——— *Department of state.* American lumber in foreign markets. Washington. 1894. 8°. (Special consular reports, 11.)

——— Forestry in Europe; reports from the consuls. Washington. 1887. 8°. Plates.

——— Lumber [tariff, as affecting forests. Washington. 1884]. 8°.

From a larger work, pp. 345–357.

——— Paper in foreign countries; Uses of wood pulp. Reports from consuls of the United States. Washington. 1900. 8°. (Special consular reports, 19.)

"56th cong., 1st sess. H. doc. 739."

——— Reports on the cultivation and the preparation of coffee in Mexico, Central & South America and the West Indies. Amsterdam. 1889. 8°.

"Reprinted by the Vereeniging voor den Koffiehandel in Amsterdam."

——— Sericulture, and silk reeling from the cocoons by machinery. Cultivation of the English walnut. Washington. 1899. 8°. pp. 44. Plates. (Special consular report, 15, ii.)

"55th cong., 3d sess. House. Doc. no. 34, pt. 2."

——— The stave trade in foreign countries; reports from consuls of the United States. Washington. 1900. 8°. (Special consular reports, 20, iii.)

——— *Engineer department.* See United States — *Bureau of topographical engineers.*

——— *Geographical and geological explorations and surveys west of the 100th meridian.* Catalogue of plants collected in 1871–1873, with descriptions of new species. Washington. 1874. 8°. pp. 62.

Contents: — Watson, Sereno. List of plants collected in Nevada, Arizona, and Utah, 1871–1872, botanical report.— Rothrock, J. T. Preliminary report on the botany of central Colorado.

——— *Navy department.* Exploration of the valley of the Amazon. See Herndon, W. L., and Gibbon, Lardner.

——— *Northern boundary commission.* Reports upon the survey of the boundary between the territory of the United States and the possessions of Great Britain. See Campbell, Archibald, and Twining, W. J.

——— *Patent office.* Fruits, nuts, and wine. (*In its* Report of the commissioner. Agriculture, 1856, pp. 315–449.)

——— General remarks on the grape vine: its original habitat, distribution, and multiplication of varieties. [Washington. 1862.] 8°.

Report of the Commissioner of patents. Agriculture. 1861, pp. 621–633.

——— *Philippine commission.* Report to the president. Vol. i–iv. Washington. 1900–01. 8°. Plates, maps, and other illustr.

"Botany," "Timber and fine woods," iii, 241–303.

——— 3d annual report. 1902 (in 2 vol.). Washington. 1903. 8°.

——— *President.* 1868. (Andrew Johnson.) Russian America; message from the president in answer to a resolution of the House of 19th of December last, transmitting correspondence in relation to Russian America. [Washington. 1868.] 8°. pp. 360. (40th cong., 2d sess. House. Ex. doc. no. 177.)

"Vegetable products," by Charles Sumner, pp. 165–169.

——— *President.* 1874. (U. S. Grant.) Message communicating information in relation to the cultivation of timber and the preservation of forests. [Washington. 1874.] 8°. pp. 6. (43d cong., 1st sess. Senate. Ex. doc. no. 28.)

——— *President.* 1890. (Benjamin Harrison.) Message transmitting report relative to the preservation of the forests on the public domain. [Washington. 1890.] 8°. pp. 4. (51st cong., 1st sess. Senate. Ex. doc. no. 36.)

——— *President.* 1897. (Grover Cleveland.) [Thirteen proclamations concerning forest reserves. Washington. 1897.] f°. pp. [31].

——— *President.* 1897. (William McKinley.) Message transmitting the report of the committee appointed by the Academy of sciences upon the inauguration of a forest policy for the forested lands of the United States. [Washington. 1897.] 8°. pp. 49. (55th cong., 1st sess. Senate. Doc. no. 105.)

——— *President.* 1902. (Theodore Roosevelt.) Message transmitting a report of the secretary of agriculture in relation to the forests, rivers, and mountains of the southern Appalachian region. [With appendices.] Washington. 1902. 1. 8°. Plates and maps.

——— *Public lands commission.* Message from the president of the United States, submitting the preliminary report of the commission appointed Oct. 22, 1903, to report upon the condition, operation, and effect of the present land laws, and to recommend such changes as are needed; [also] the second partial report of the commission. [Washington. 1904–05.] 8°. pp. [2], 10, 14.

——— *Superintendent of documents.* A comprehensive list of United States public documents now offered to organized public libraries free of all cost. Washington. 1907. 8°.

——— List of publications of the Agriculture department, 1862–1902, with analytical index. Washington. 1904. 8°. pp. 623. (Bibliography of United States public documents. Department list, 1.)

——— *Treasury department.* Cruise of the revenue-steamer Corwin in Alaska and the N. W. Arctic Ocean in 1881. See Corwin, revenue-steamer.

——— Letter from the secretary of the treasury [Richard Rush] transmitting information in relation to the growth and manufacture of silk, adapted to different parts of the Union. Washington. 1828. 8°. pp. [8], 220. 5 plates, table and other illustr. (20th cong., 1st sess. House. Doc. no. 158.)

——— Report of the cruise of the revenue marine steamer Corwin in the Arctic Ocean, 1885. See Corwin, revenue-steamer.

——— *War department.* Letter from the secretary of war, transmitting a letter from chief of ordnance, United States army, of Nov. 30, 1883, with report of commanding officer of the Watertown arsenal of the tests of iron and steel during the fiscal year ended June 30, 1883. [Washington. 1883.] 8°. pp. 670. Plates and other illustr. (48th cong., 1st sess. Senate. Ex. doc. no. 5.)

"Tests of California laurel wood," pp. 223–236.— "Tests of North American woods," pp. 237–647.

——— Notes of travel in California; from the official reports of Col. Frémont and Maj. Emory. See Frémont, J. C., and Emory, W. H.

——— Report upon the Colorado River of the West. See Ives, J. C.

——— Report of the construction of a military road from Fort Walla-Walla to Fort Benton. See Mullan, John.

——— Report of an examination of the upper Columbia River, 1881. See Symons, T. W.

——— Report of an exploration of parts of Wyoming, Idaho, and Montana, 1882. See Sheridan, P. H.

——— Report of the exploring expedition to the Rocky Mountains in 1842, and to Oregon and north California, 1843–'44. See Frémont, J. C.

——— Report upon the reconnaissance of northwestern Wyoming in 1873. See Jones, W. A.

——— Reports of explorations and surveys, to ascertain the most practicable and economical route for a railroad from the Mississippi River to the Pacific Ocean, 1853–[6]. 12 vol. in 13. Washington. 1855–60. 4°. Illustr. (33d cong., 2d sess.; 36th cong., 1st sess.)

——— *The same.* Vol. xi. Washington. 1861. 4°. Plates and maps.

——— Reports of the secretary of war, with reconnaissances of routes from San Antonio to El Paso, by J. E. Johnston,

W. F. Smith, F. T. Bryan, N. H. Michler, and S. G. French. Also the report of R. B. Marcy's route from Fort Smith to Santa Fé, and the report of J. H. Simpson of an expedition into the Navajo country; and the report of W. H. C. Whiting's reconnaissances of the western frontier of Texas. Washington. 1850. 8°. pp. 250. Maps and 75 plates. (31st. cong., 1st sess. Senate. Ex. doc. no. 64.)

——— Tests of North American woods. Plates. (*In its* Letter from the secretary of war transmitting report of commanding officer of the Watertown arsenal of the tests of iron and steel during the fiscal year ended June 30, 1883, pp. 237–647.)

United States dispensatory. See WOOD, G. B., and BACHE, Franklin. The dispensatory of the United States of America.

United States exploring expedition, during the years 1838–1842, under the command of Charles Wilkes. See WILKES, Charles.
